

OSCAR'S

IN THE VALLEY

At Oscar's we proudly serve local Western Australian seasonal produce, with our menu designed to be shared by the table.

Our tasting menus best encapsulate the Oscar's experience as the chef's carefully curate the menu to suit your table's needs and ensure that nobody misses out.

The tasting menus are a chef's choice where they will send out 2-3 different dishes per course, as share plates for the middle of the table.

Please note we are able to cater for dietary needs.
